

The Spirit of St Patrick! We want to extend our most sincere gratitude to the over 70 attendees. We put on our dancing shoes & wore our shamrock green. We savored our friends here, there and everywhere in-between! Thank you to Chuck Garrett & Lee Oswalt for a fun, flirty and "foxy" Foxtrot performance. As Peggy Lee sang, "We loved being there with you!" As you stroll through our March dance photo memories—May you have all the happiness and luck that life can hold and the end of your rainbows, may you find a pot of gold. Lastly, we look forward to you joining us for our one and only "Green Gatsby" dance in April!

"Final Thoughts" from our poetic Past-President Mr. Robert White...

A sea of green and shamrocks gathered for the fun, as we watched the setting March sun. Our St. Patty celebration was here, you see, as we entered Advent, one, two, three, and danced to the music so as not to get wet out in the cold. The Rumba, Waltz, and Tango we did embrace, as our joy together shown on our face. For our dance floor time is indeed our treasure, and our joy together is beyond measure. We knew our evening of delight would not last, but while it did, it was a blast.
